[REDACTED]: she was on Workman's Compensation for three weeks and works at [REDACTED] as [REDACTED]. All of her utility bills are in her name with her address in [REDACTED] as well as her lease so I am not really sure what else is needed for proof of residency. Her parents live in [REDACTED] and she told me her dad handles her plates and things of that nature. She has called 211 and was told that there was not assistance with car payments at this time.

[REDACTED]: she is getting a statement together and will send it over later today. She also called 211 and was told that there was no assistance for car payments at this time.

Let me know if there is anything else that you need.

Jenn

Hi Jenn,

Please see Sherrece's email below. Before the State is able to approve these payments, she will need the following information. As required, if [REDACTED] attempted 2-1-1 we will need to have that documented (an email response will suffice) indicating that they informed the clients that there was no assistance available for car payments. Please provide Sherrece with the information regarding where [REDACTED] receives Worker's Comp.

Sherrece, we had already discussed the address issue with [REDACTED] the day or two prior to her exit; the bill is still sent to the client's mother's home where she lived when she acquired the loan. The nurse, Jenn, has seen her consistently in [REDACTED] where she now resides.

Thanks!
Megan

Hi Sherrece,

I am sending a pre-auth for services that I would normally send to Emily. Can you please let me know if

she forwarded you any other pre-auth that she was waiting on information from me on? I believe there is only one outstanding for a [REDACTED]. Please advise.

Thanks!
